Selecting a career that is compatible with your outlook and vision for the future can be challenging.

At the Career Exploration Fair, you will be able to speak with professionals representing various careers including doctors, law enforcement, production workers, accountants, entrepreneurs, and many more!

Learn about the many exciting occupational opportunities in the world of work, the education needed, duties of the job and salary ranges. You will leave with printed materials to assist you with your future career planning.

Call the Youth Bureau at **407-2162** for more information.

FREE Admission

Pizza, snacks and beverages will be available for purchase.
